The goal of GSM in preparing this agreement is to help ensure that the many lives touched in your community during this campaign will be systematically contacted and encouraged after this campaign is over.

The Purpose of this agreement is to encourage local host congregations to be proactive in identifying and training members of your local host congregation to be responsible for leading and coordinating the **Campaign Follow-up Coordinator/Secretary (CFCS)**, the **After-Care Coordinator (ACC)** and the **New Convert Support Team Coordinator (NCSTC)**.

A. The **Campaign Follow-up Coordinator/Secretary (CFC)**

Name (Please Print) _____ Phone# _____

Email _____

The **CFC** compiles and coordinates scheduled call backs and follow ups with contacts, i.e. the **CFC** agrees to be responsible for making sure that all prayer request cards, benevolent request cards, and call back/follow up contact cards and Gospel presentations are assigned and handled appropriately. For example, if a prayer request card has been completed, then someone should be assigned to continue to pray for that person and to contact him/her periodically to see how the requester is doing so that they know someone from the local host congregation cares and is still praying for them.

B. The **After-Care Coordinator/Secretary (ACC)**

Name (Please Print) _____ Phone# _____

Email _____

The **ACC** organizes, coordinates, and directs After-care mentorship and discipleship of new converts listed on the After Care support chart as shown below:

It is essential for the success of the campaign for these three coordinators be identified and available for training during the pre-campaign seminar so that the work that is involved in discipling a new convert or caring for a new babe in Christ is not left to chance or on the shoulders of any one person, but can be strategically organized and delegated appropriately throughout the congregation as a whole.

By signing this agreement, these three key coordinators will be agreeing to participate in the pre-campaign seminar and training that is designed to train and prepare them for assuming these roles.

Information Concerning Holding a Gospel Sharing Ministries Campaign

To hold a campaign Gospel Sharing Ministries would conduct a Training Seminar prior to the event. This seminar would first show ways to approach people in different situations and go through a simple, yet effective way to engage them in a presentation of the saving Gospel. Secondly, the seminar would focus on After Care, a vital part of keeping a new babe saved and in maturing that person to becoming a strong Christian.

A decision from a congregation to have a campaign requires a \$200.00 non-refundable commitment. Gospel Sharing Ministries will then help them prepare for the campaign in order to have a more effective campaign. Then, at the appointed time, a group of experienced workers will come and go into the streets, taking members of the congregation with them in order to help them learn how to talk to people about Jesus. We find this is the fastest way to help the local members get experience as well as make contact with the people in the community who otherwise would not have knowledge of the Gospel. The focus is on Jesus and how He saves through the Gospel.

Members from your congregation will be needed to go with the workers that will come from out of town. Ladies are especially needed.

The out-of-town workers will need places provided at which to stay at the expense of the host congregation unless arrangements have been made with Gospel Sharing Ministries. Those without RVs will need either homes or motel rooms. Those with RVs will need either RV hookups at the church building or to stay at an RV park. We ask that at least one meal a day be provided during the campaign. We ask that bottled water be supplied for workers to take out while door knocking. Materials will need to be printed, either on a copier or at a printer, and Checkbook Bibles from Gospel Sharing Ministries will need to be purchased at cost. These are the only expenses required for the campaign. Workers will pay their own way to and from the campaign and no other fees except for the commitment fee of \$200.00 will be charged.
